SIEMENS

Data sheet 6GK1905-0AE00

product type designation	**SpliT Connect Terminator (non-Ex)**
	PROFIBUS PA SpliTConnect Terminator, for terminating PROFIBUS PA segments, use in hazardous area not possible 1 pack=5 units.

Technical Product Detail Page	https://i.siemens.com/1P6GK1905-0AE00
transfer rate	
transfer rate	
● with PROFIBUS PA	31.25 kbit/s
design, dimensions and weights	
net weight	600 g
ambient conditions	
ambient temperature	
● during operation	-40 ... +85 °C
● during storage	-40 ... +85 °C
● during transport	-40 ... +85 °C
protection class IP	IP67
product features, product functions, product components / general	
product feature	
● silicon-free	Yes
standards, specifications, approvals	
reference code	
● according to IEC 81346-2:2019	NDG

security information	
security information	Siemens provides products and solutions with industrial cybersecurity functions that support the secure operation of plants, systems, machines and networks. In order to protect plants, systems, machines and networks against cyber threats, it is necessary to implement – and continuously maintain – a holistic, state-of-the-art industrial cybersecurity concept. Siemens' products and solutions constitute one element of such a concept. Customers are responsible for preventing unauthorized access to their plants, systems, machines and networks. Such systems, machines and components should only be connected to an enterprise network or the internet if and to the extent such a connection is necessary and only when appropriate security measures (e.g. firewalls and/or network segmentation) are in place. For additional information on industrial cybersecurity measures that may be implemented, please visit www.siemens.com/cybersecurity-industry. Siemens' products and solutions

undergo continuous development to make them more secure. Siemens strongly recommends that product updates are applied as soon as they are available and that the latest product versions are used. Use of product versions that are no longer supported, and failure to apply the latest updates may increase customer's exposure to cyber threats. To stay informed about product updates, subscribe to the Siemens Industrial Cybersecurity RSS Feed under https://www.siemens.com/cert. (V4.7)

Approvals / Certificates

General Product Approval				Test Certificates
Declaration of Conformity			China RoHS	Special Test Certificate
